

What If?

© G. Lawless 2010 SOCAN

A child's /hungry, she's got nothing to eat
A child's /crying, she's got no shoes on her feet
A child's /waiting, standing alone
/ ... Without a family or home

What /if ... we connected by caring?

What /if ... we connected by sharing

/ ... all that we can give?

What /if?

We all de-/serve ... opportunities
To live and /learn ... in our communities
/ ... Ev'ry child has the need
/ ... For a chance to succeed

CHORUS

We can /be the Change Generation
We can im-/prove ... the situation
/ ... Connect through our humanity

We're not in-/diff'rent ... we won't just stand by
Life is /precious ... we won't just ... close our eyes
/ ... We can help one another ... reach out to
/... all our sisters and brothers

CHORUS

What if?

What if?

What if?
